The Proposal Writer will work across all levels of proposal such as proposal writing, consortium building, methodology, project organization etc., while producing critical content.

Responsibilities

- Works directly with the Head of European Projects team to identify required content for responses.
- Drafts clear and accurate responses to fulfill the call requirements.
- Organizes material and completes all writing assignments in a timely manner.
- Helps in building the consortium of partners.

Necessary Prerequisites

- Experience in preparing proposals, writing or implementing projects funded by the European Union.
- University Degree or MSc holder (preferably in Political Sciences/Engineering/Economics or other relevant field).
- Excellent written and spoken English language skills.
- Excellent computer skills and MS Office skills.

Required Skills

- Strong organizational skills and team coordination.
- Excellent communication skills.
- Metho and attention to detail.
- Ability to work under pressure and meet strict deadlines.

Job Benefits

- Competitive remuneration package.
- Opportunity for professional development in a dynamic and constantly evolving environment.
- Excellent conditions of cooperation.
- Pleasant and modern working environment, which encourages team spirit, cooperation and continuous learning.
